

- Scrum Master for next week

Vandana Anand

- List at least 5 things the team did well and will continue doing

We communicated well. We were in touch through out the week.

- List at least 3 things the team did poorly and how you will mitigate them next sprint

We should working for the next week on early days instead of working on it at the end of the week.

- List shout-outs to any team members for excelling in any way

Jaime and Vandana we both did good

- What did you learn as a team this week?

We learned keeping it clear and simple and be in touch is helpful.

- What did you learn as an individual this week?

I learned supporting and understanding your team member is a key to work as a team.
